

# CHICKEN DIAMOND - STAGE PLAN

Thank you for providing Chicken Diamond with the following:

- PA (mini 500 watts, sub-woofer preferred)
- DI for stompbox (Be careful, this is not a bass drum but **stomp boxes**. They will need to go through the PA)
- 5 Microphones: vox, guitar amp 1, guitar amp 2 (with bass octaver pedal, to boost bass signal), crash cymbal, tambourin (stuck to the right foot)
- Floor rug
